This is a letter from the Executive Engineer, Minor Irrigation Division, Hut bay stating that the following works are to be carried out in the reserved area at Dugong Creek for which necessary permission may be granted to the authorized contractors and their labour to complete the work in time:-

- Repair of roofing works at Onges old huts- Shri. Pramir Kumar Paul and 10 labours
- C/o WC-cum-bath room at Dugong Creek - Shri. Pramir Kumar Paul and 10 labours
- C/o septic tank for WC bathroom - Shri. Pramir Kumar Paul and 10 labours
- C/o CWR (1 lakh capacity) at Dugong Creek - Shri. Krishna Pada Roy and 15 labours

The two contractors and their labourers are working for the competent agency i.e APWD. The entry into Dugong Creek is for construction of various works for the Onges on behalf of APWD and the work is not for any research purposes. Therefore, we may request APWD to obtain a list of the names of the labourers to be engaged for the above listed works. Since the above works are being undertaken as directed by L.G., they may commence the work and simultaneously furnish the list for administrative requirements.

Submitted for approval please.

Executive Secretary

AAJVS
