

65 May kindly see para 63 to 64/ante please. The Research Investigator, AAJVS, {Social Worker (HQ)} had stated that these ration items mentioned in the bills annexed was issued to Smti Leechu and not deducted from the monthly ration.

66 The different way in which the ration items were issued to them as mentioned at para 63/ante may be clearly mentioned. Further the supply order issued by this Office to provide extra ration apart from normal monthly free ration may be placed in the file.

67 GAMPCS Ltd. is a separate legal entity and is authorized to issue free ration once in a month and if anything extra has to be given, appropriate sanction with supply order is required. How will GAMPCS Ltd. know that Smti Leechu or others require free ration, rather on what basis has GAMPCS Ltd. issued this ration without a requisition of this Office.
