(70) A discussion was held with Dir(Tw).
regarding supply of item to Smti.
Leecho, who was then at P/B Blair (Adibasera)
for medical treatment; to cook the food
at Adibasera instead of food from the
Hotel.

(71) It was also decided that the
ration supplied to Smti. Leecho at
P/B Blair may be deducted from her
monthly free ration for the following
month. Or the bill may be settled
by the office, treated as "Supply of
food item to primitive tribal during
their hospitalisation. Keeping in
view the circumstances - i.e. urgently
required food item, the item was
supplied to Smti. Leecho through
GAMPC. S/j. from ANCOFED. P/B.

(72) The S/w. S/Island may be asked
to deduct the ration item from
Smti. Leecho's monthly ration or may be
issued to her on C/R. and C/R recovery
may be made accordingly or may be
settled as proposed above.
