MEMORANDUM

On verification of the bills for supply of free ration and supplementary food to the Great Andamanese for the month of 12/2004, this Office had observed the following points:-

- a) Ration articles are supplied during the first week of every month and bills submitted accordingly, but the ration articles for December 2004 were supplied only on 22.3.2005, whereas the same was transported by you in the first week itself from Port Blair;
- b) You had stated that all the records of GAMPCS Ltd. and AAJVS at Strait Island has been completely washed out in Tsunami, how did the bill book survive without even being drenched;
- c) Earthquake and Tsunami hit Strait Island on 26.12.2004 and as per your bill the ration articles were distributed on 23.12.2004, what were the Great Andamanese cooking for these 22 days?
- d) If ration articles were distributed in the first week itself, why was the signature of i/c Power house and Police Radio not obtained;
- e) As per the distribution chart, the supplementary food items were supplied on 27.12.2004, i.e after earthquake and Tsunami, when all the records as per you were totally lost. The equation does not tally as the date of distribution is different, distribution chart states some date and Tsunami hit only on 26.12.2004.
