3-9/AAJVS/TW/2005/ 34

Dated: the 20/4, 2005

To,  
The Executive Engineer  
Electricity department  
South Andaman.  
Port Blair

Sub: Construction of building at Strait Island for power House-reg.  
Sir,

With reference to your letter no: 90/12.4.2005, In connection with the shipment of 2 Generators to Strait Island and construction of a room/shed next to the NRSE buildings, I am to state that we have taken up the matter of shipment of 2 generators from Port Blair to Strait Island with the Director of Shipping Services. (Copy enclosed)

In connection with the construction of a new room/shed for installation of the two new generator sets, I am to add that as per the guidelines issued by the A & N Administration vide their letter dated 14.3.2005, for release of funds for construction of buildings under Rajiv Gandhi Rehabilitation package for Tsunami affected areas in Andaman and Nicobar Islands, it has been specifically mentioned that Offices should not indicate the requirement of funds for repair and restoration of damaged non-residential buildings of the departments concerned as the same are required to be assessed by APWD. (Copy enclosed).

Further, it is to add that the existing power house building at Strait Island has not been constructed out of the funds sanctioned by AAJVS, rather it has been constructed under the Tribal Sub-Plan, under Power Sector, therefore AAJVS may not be able to sanction funds for the same as no funds are being provided to AAJVS for construction of non-residential buildings in the Tsunami affected primitive tribal areas.

It is therefore requested that the new building may be constructed under the Tribal Sub-Plan please.

Yours faithfully

Executive Secretary  
AAJVS

Copy to:

1. The Chief Engineer, APWD, Port Blair, for information please.
2. Mr S.E. (34), P/Blair for necessary action please

Executive Secretary  
AAJVS
