3-9/AAJVS/TW/2005/88

Dated: the 29/4, 2005

To,

The Chief Engineer
APWD
Port Blair

Sub: Repair of buildings at Strait Island -reg.

Sir,

With reference to this Office letter no: 5-2/AAJVS2003//05 dated 1.4.2005, I am to inform that the Great Andamanese who have been staying at Asibasera relief camp at Port Blair since 30.12.2004 after the recent Earth quake and Tsunami, have started to shift from Port Blair to Strait Island.

The Plantation-in-charge, AAJVS, Strait Island vide his signal no: 01 dated 24.4.2005, informed that renovation ^{work} of Great Andamanese houses are taken up very slowly due to ^{non} availability of ~~insufficient~~ quantity of construction materials. Repairs of only ⁷⁻⁸ houses ~~have~~ been completed till date.

30 Great Andamanese have already left from Port Blair to Strait Island for permanent residence and the balance would be proceeding by FAB. Further, the onset of monsoon is expected within a week. AAJVS and Police department had already deployed their employees at Strait Island since last 15 days.

It is therefore requested to kindly direct your Officials to provide sufficient construction materials and also to the authorized contractors to speed up the construction work so that the buildings are ready within this month end please.

Yours faithfully

Executive Secretary
AAJVS
