

120

4th May. 05.
Port Blair.

To
Executive Secretary.
AAJVS.

Respect Sir:

This is to draw your kind attention that the element of a small steel trunk and metal strapping for it to hold on with (excluding screws) would be required.

- ① Steel Trunk.
- ② Metal clamps
- ③ Screws & hinges
- ④ Lock.

Above is the list of four items that need to be made available for the Orgee prototype under construction at Raj-Niwas.

Thank you for your kind attention.

Nishwajit Pandya.
