Sub: Providing one two wheeler at Hut Bay -reg.
Sir,

Kindly refer to your discussion with Social Worker, Onge Settlement, Dugong Creek in connection ^{co-ck the} construction of Onge huts for their rehabilitation. To strengthen the staff position, we have deputed 2 employees from Port Blair. They would be utilized for the construction work. The Motorcycle sent from Port Blair is being utilized at 22 KM for the daily routine Office affairs.

But due to non-availability of transport at Hut Bay, we are facing many problems of instant mobility for discharging the duties in connection with rehabilitation of Onges. Social Worker, Dugong Creek informed that few motorcycles have been provided in your control for Tsunami relief and rehabilitation works.

It is requested to kindly provide one two wheeler to the Social Worker, Onge Settlement, Dugong Creek to carry out various welfare works at Hut Bay please. *If possible.*

Yours faithfully

Executive Secretary
