Sub: Servicing / repairs of sewing machine provided to the
Great Andamanese -reg.

Sir,

I am to inform you that the Great Andamanese re-settled at Strait Island have met me and requested that the Sewing machine provided by your Directorate requires repair and servicing. Presently, one machine is out of order and others requires servicing.

In this connection, it is to mention here that a special vessel has been arranged to sail to Strait Island on 25th July 2005, with Officers and Officials of various departments to finalize the permanent shelters for the Great Andamanese.

You are therefore requested to kindly depute your technician to Strait Island to repair/service the sewing machine. The boat along with the Officers would return back on the same day.

Yours faithfully
