Sub: -Provide vegetable Diets to Onge reg: -

Sir,

Most humbly it is to bring to your notice that the onges residing in Dugong Creek they are taking only Non-Veg items. Mostly it has been noticed that vegetable meal is being also left unattended, which is affecting their nutrition status.

Hence the staffs of AJJVS may be directed to inform them the positive value of vegetarian Diet and provide them at least twice a week.

Therefore I request you kindly take necessary step to implement the same for improving onges health.

Thanking you,

Yours faithfully,

Medical Officer i/c,
