

It is regarding raising the intermediate shelters for Andamanese at Strait Island. Following the approval of the Lt. Governor in the file vide para 33 to 50/N above, we had requested the APWD authorities to initiate action to raise infrastructures including the shelters. This matter came up for brief discussion at Raj Niwas on 8.3.2005 also. The PWD authorities have not yet sent the estimates for the works to be taken up at Strait Island.
