Issued.

(155)

It is submitted that vide order no. 122 dated 30.6.04, the Special Assistant, AAJSV proceeded to Strait Island on 2.7.05 with free ration materials by mv. Strait Island sailed on 2.7.05.

(156)

Ration articles distributed to Andamanese for the month of 7/05. All round inspection it is found that health condition of Andamanese are O.K. Except operation of Pump House for water, none of the Andamanese working. The settlement is not clean. Solar energy unit area is full of grass. Repair and maintenance work of Govt buildings and quarters are going on. But work is very slow. Around 15 workers are still at Strait Island.

(157)

The community hall is very unclean. Whole settlement area is necessary to clean. The Group 'D' staff posted at Strait Island is also not attending work. If approved, we may request the Contractor to provide two labours to do the work.

(158)

It is understood that the teacher is going to Strait Island to re-open the school. Quarters for the teacher is occupied by the labours is to be vacated. We may direct the Contractor to vacate the quarters. The labours may temporary allowed
