During the visit a meeting may be arranged in the Guest House between the above Officers and Adult members of Great Andamanese to finalize the pattern of new ~~houses~~ permanent houses for the Great Andamanese.

During the above visit, they can also discuss about various other issues like power supply, drinking water, poultry, education etc.

We may request Directorate of Shipping Services, to spare the services MV Shompen or any other suitable boat for the above purpose. The sailing program can be fixed at early morning hour so that ample time is available for discussion with the Great Andamanese at Strait Island and the members can return back on the same day itself.

Submitted for approval please.
