

Submitted that the pay and allowance of the employees of AAJVS posted at Campbell Bay has been drawn and has to be disbursed. During the past many years we have been sending the salary by way of Telegraphic Transfer through Syndicate Bank. But, due to the tsunami incident, the banking business has been badly affected and they lost their fax and other machinery as stated by their branch Manager at Port Blair. Therefore we have to send the amount by hand.

Secondly, our driver Shri. Jagtar Singh, who has been transferred to Port Blair since last 2 years, is a resident of Campbell bay and has lost his belongings and residential house their. The assessment of loss at Campbell bay has began as informed by Shri. Som naidu, special Officer on duty for relief measures. Therefore, Shri. Jagtar Singh ^{may} ~~has to~~ be sent to Campbell Bay for giving details of loss to his property to the revenue authority.

Therefore, if approved, we may depute Shri. Jagtar Singh to Campbell by FAB/Air force aircraft so that he can attend his personal work and also disburse the pay and allowance of AAJVS employees posted there. He may also be directed to meet few Shompens and inquire about the situation.

As such a draft order is placed opposite for approval please.
