Subj: - Duty joining report reg. 30.12.04

Sir,

I am to say that due to recent-
tsunami waves (nature calamity) I left S/Island
with all the 29 Nos great- Andamanes on 30.12.04
at about 12.10 pm and reached Sir Port Bleair
relief camp at Aadi Basera on same day at
about 6 pm and staying there with Andamanes
tribes.

In this connection, I am to say that
all the Govt. properties including official records
and all the materials of- great- Andamanes have
been washed out in sea. I have also in great-
lose and do not have any personal belongings
due to the above reason.

Now I am staying in Aadi Basera
with the Andamani tribes and doing my duty
here.

This is for your kind information
and necessary action pl.

Shabnam
