Sub:- Supply of ration articles to Onges-reg.
Madam,

I am to say that the members of the Onges primitive tribal community settled at Dugong Creek, Little Andaman are supplied ration articles on monthly basis through the Onges Multi-Purpose Co-Operative Society Ltd. The ration articles viz.. rice, sugar and wheat are collected from the supply godown at Hut Bay on payment. There is no buffer stock of ration at Dugong Creek.

The In-Charge, Onges Settlement, Dugong Creek, intimated over phone today that supply of ration article to the Onges has been stopped by the Officer concern for a dispute / clarification whether the ration has to be supplied to the Onges under the BPL / APL or AAY scheme and ration shall **only** be supplied once this is clarified by your Office.

In this connection, you are requested that a suitable decision may be taken at the earliest. Meanwhile, a communication may be sent to the in-charge, Civil Supplies Hut Bay to continue supply of ration to the Onges as per existing practice without waiting for the administrative decision.

Yours faithfully

Executive Secretary
