Sub: Food grain items delay in Process by
Supply Dept; H/H Bay & Reg.

Sir,

This is to inform that I have given indent on Credit cards for food grain items at Supply Dept, H/Bay through the Tehsildar (Circul officer of Supply Dept) on 31/01/2018. However it has been delayed at Supply Dept and they have issued on 09/02/2018, so shifting and the wheat cleaning, grinding takes another one day; distribution of ration items to the onges ultimately delayed.

Hence it is requested that the incharge of Supply Dept, H/Bay may kindly be instructed to provide the food grain items pertaining to onges of Dugong Creek on or before 05th of every month. So that it can be collected and shifted well in time for further distribution.

Yours faithfully
