The Tribal welfare officer, D/Creek
under his letter no: 55 dated 12.02.18
has informed that he has placed
the indent for supply of food grains
on 31.01.2018 to the Civil Supplies office,
but ration was supplied only on 9.2.18.
Wheat has to be ground in the mill
which delays the process. This is the
system every month and there is
considerable delay in supply of ration
from the PDS godown.

346

The T.W.O has requested to pass
necessary instructions to the P.C. Supply
dept, H/Bay to issue ration by 5th
of every month.

347

It is proposed that we may
take up the matter with Tehsildar
H/Bay and P.C. Supply dept H/Bay so
that there is no future delay.
