Target	Achievement
Survey / investigation for 1 MW Wave Power station and 10 MW OTEC Energy Plant	Matter under consideration of MNES for OTEC and Wave Plant.

1998-99

Target	Achievement
Survey / investigation for 1 MW Wave Power station and 10 MW OTEC Energy Plant	Matter under consideration of MNES for OTEC and Wave Plant.

1999-2000

Target	Achievement
<p>Survey, investigation, identification of suitable locations for installation of 1 MW wave power station.</p> <p>Detailed oceanographic survey and land survey of the selected locations and preparation of feasibility project reports for establishment of OTEC, wave energy, Hydrogen Energy System.</p> <p>Purchase of measuring instruments for survey and investigation.</p> <p>Survey, investigation and identification of suitable locations for installation of 5/10 MW OTEC power plant.</p> <p>Establishment of OTEC / Wave Energy /Hydrogen Energy based power generating system in A & N Islands through National / International organisation and development through MNES for meeting Base Load requirement in Andaman & Nicobar Islands.</p>	Matter yet to be finalised by MNES.

7. Physical Targets for Annual Tribal Sub-Plan 2000-2001:

Survey, investigation, identification of suitable locations for installation of 1 MW wave power station. Detailed oceanographic survey and land survey of the selected locations and preparation of feasibility project reports for establishment of OTEC, wave energy, Hydrogen Energy System. Purchase of measuring instruments for survey and investigation. Survey, investigation and identification of suitable locations for installation of 5/10 MW OTEC power plant. Establishment of OTEC / Wave Energy /Hydrogen Energy based power generating system in A & N Islands through National / International organisation and development through MNES for meeting Base Load requirement in Andaman & Nicobar Islands.
