Sub:- Filling of the vacancies reserved for ST in  
the A&N Administration-reg.

...

Sir,

With reference to the meeting held on 3.4.2000  
in the Conference Hall of the Secretariat on the above  
subject, the details of pendency in filling up the re-  
served posts are furnished as under:-

" There are 28 posts of Group 'C' in the Labour  
Department and the appointing authority is the Labour  
Commissioner and Director of Employment & Training.  
There were 16 posts of vocational instructors in the  
ITI till july 1999. Due to non-availability of qualified  
technical personnel, at the time of inception of the ITI  
in 1988/89, the reserved post at Roster Point-9 could  
not be filled up with ST Candidate. All the ~~next~~  
sanctioned posts have been filled up from General category  
candidates.

Recently two posts of vocational instructors have  
been created in July' 1999. As a result, the total no.  
of posts of vocational instructors has risen from 16 to  
18. The roster point at 17 is also to be filled up with  
a ST candidate. It is stated that both the ST roster  
points- 9 and 17 will be consumed by appointing qualified  
ST candidates. The present delay in filling up the two  
vacant posts was due to the review imposed by GOI for  
economy in expenditure. Necessary clearance has been  
obtained now from the Administration after the review of  
the absolute necessity in filling up the vacant posts and  
action is being taken up to fill up the vacant posts as  
per the RRs by consuming the ST roster points. "

This is for your information and further necessary  
action.

Yours faithfully,

(V. MURALI)

Labour Commissioner and  
Director of Employment & Training.
