Sub:- Filling up of posts reserved for ST - regarding.
Ref:- Letter No.9-9/99-TW/280 dated 14.3.2000.

Sir,

In continuation of this office letter of even number dated 31.3.2000 and as desired in the meeting held in the Conference Hall on 1.4.2000, I am to enclose herewith the statement showing the details of posts created for SCs and STs and filled in Andaman Lakshadweep Harbour Works for your kind information. In this connection it is to state that the ALHW is spread over almost all the Islands in Andaman & Nicobar Islands, Lakshadweep group of Islands and other places/States like Mangalore, Cochin, Calicut, Madras, Calcutta and Delhi and maintains a combined and common seniority for Group 'A', 'B' and 'C' posts. These posts in the organisation are filled on all India basis and the reservation for SCs (15%), STs (7 ½%) and OBCs (27%) are applicable.

From the information furnished, it can be seen that the over all position of reservation allowed for SCs are more than sufficient. As regards to STs, the increase in the number of posts filled is due to the reason that Group 'D' posts of Lakshadweep are filled locally and Tribals of Lakshadweep are given preference.

This is for your kind information.

Yours faithfully.
