ANDAMAN AND NICOBAR ADMINISTRATION
SECRETARY (EDUCATION/INDUSTRY)

De-reservation of ST vacancies in respect of teachers

UT Administration vide its letter No.3-234/93-D.III dt 19.1.94 had taken up with MHA for de-reservation of 115 posts of different grades under the Education Department including 75 posts of Graduate Trained Teachers, 27 posts of Post Graduate Teachers and some other posts. The issue was also raised in the Island Development Authority for one time de-reservation. The MHA has now asked to furnish detailed information in respect of different grades in the revised proforma with the concurrence of the Liaison Officer (for the purpose of SC/STs) so that the matter could be taken up with the National Commission for ST & SC. As the initial proposal was mooted in early 1994 and number of vacancies keep fluctuating, the Department is in the process of preparing the information. However, nothing substantial has emerged in the last six years.

The details collected reveal following facts with respect of ST candidates with different qualifications available/or likely to available in future:-

A. ST candidates - TGCE, Port Blair.

Course	No of students completed the course in 1999-2000	No of students studying during 2000-01
