CATEGORY WISE BREAK-UP AND OTHER DETAILS OF RESERVATION  
POST SHORT FALL:

I. GROUP 'C' : NO.OF POSTS SHORT FALL -- 17(SEVENTEEN)

1. HEAD RADIO OPERATOR - 2(TWO)

The post of Head Radio Operator is to be filled up by promotion from Radio Operators. Presently there is only one candidate with required qualification available for the post and his case is being processed for promotion. The remaining quota of 1 post will be filled up as soon as a qualified candidate is available for promotion.

2. RADIO TECHNICIAN - 2(TWO)

Inspite of our best efforts, qualified candidates are not available for the post and the posts are being re-advertised for the 3rd time in succession. Employment Officer has issued N.A.C when ever the post was notified. We have already written to the Director(TW) to sponsor names for the post.

3. CONSTABLE(DRIVER)

The quota of 11 posts is mainly due to replacement of vacancy based Rosters by post based Rosters as per directions contained in GOI's OM dated 29-8-1997. Against the quota of 11 posts 8 vacancies are presently available for filling up and the quota of remaining 3 posts will be adjusted against future vacancies.

8th Class pass and possession of valid Heavy Motor Vehicle Driving Licence are the requirements for the post of Constable(Driver). As qualified candidates were not available, the ST candidates with Light Motor Vehicle driving licence were also allowed to appear for the selection last time. Yet no one appeared for selection when the posts were advertised during October, 2000. Now it is proposed to conduct a Special recruitment drive exclusively for the STs against the 8 vacant posts of Constable(Driver) at Port Blair, Car Nicobar and Campbell Bay simultaneously. Director(TW) has already been requested to sponsor names for the post.

4. POLICE CONSTABLE -2(TWO)

These are posts fallen vacant very recently and being filled up during the next recruitment.

5. Group 'D' - No. of posts short fall - 4  
(Sweeper-2, Dhobi-1, Follower Messenger-1)
