To

The Director of Agriculture,
A&N Administration,
Port Blair.

Please refer to your letter No.3-24/Estt/DA/97/4484 dated 27th December, 2000 regarding filling up of vacant posts reserved for S.Ts. I am glad that you are filling up the seven vacant posts in Group 'D' by ST candidates shortly. Kindly let me know once this is done.

With respect to Group 'C' posts, according to our information there is a shortfall of six Group 'C' posts which are reserved for ST candidates but have not been filled up. You have stated that this will be fulfilled according to the future vacancies. It is stated that the posts reserved for STs should be vacant since general category candidates cannot be appointed against these posts. Hence it is not clear what is meant by the posts will be filled up according to the future vacancies. I would be grateful if you could clarify the position. Also let me know which posts in Group 'C' are slotted to be filled up by S.T.candidates.
