

140

The proforma now prescribed by the Government of India includes columns for showing vacancies filled by members of SC, ST and OBC. So this Administration is requested to switch over from half yearly progress report to monthly progress report.

As regards OBC's, no OBC's have yet been notified in relation to the A & N Islands. However, the A & N Commission for OBCs has been constituted and it has started functioning. Until the OBCs are notified and their percentage in services is prescribed in respect of these Islands, the reservation for OBC's may be shown as nil in the monthly progress report.

You are, therefore, requested to kindly furnish the monthly progress report on reservation of SC's, ST's and OBC's to the Directorate of Tribal Welfare by 5th of every following month positively. A separate report for each month commencing from February 1994 to January, 1995 may also kindly be furnished in the prescribed proforma by 28th February, 1995.

Yours faithfully,

Encl: A/A.

K.K. Jindal
