

iii) In ST areas, if the majority of the population of a village is opposed to commercial liquor shops, such shops should not be established.

C Recommendations pertaining to business of money lending and debt relief

- i) Stricter enforcement of existing Acts/Regulations on money lending and debt relief.
- ii) Present loaning/financial systems under IRDP etc. do not take care of consumption needs. Thus loans for productive purposes should include consumption credit to take care of the social and economic requirements of the weaker sections of the society to which the SCs & STs belong.

D Recommendations pertaining to economic development of SCs & STs
