The States and UT Adms. registering less than five percent enrolment of SC/ST students in Higher Education and specially the States and UTs. having more SCs/STs population, should provide special coaching facilities to SC/ST students. Better hostel and schooling facilities at middle level in tribal areas will also facilitate the enrolment. The Commission recommends that a National Level Survey should be made on the implementation of higher educational facilities provided to SC/ST students and the working of the Universities during Ninth Plan, ensuring that the Universities adhere to the reservation guidelines.
