programme for them. The reason for decline of some tribal groups should be studied. Accordingly programmes should be formulated. The programmes under TSP should be implemented effectively and full utilisation of funds ensured."

It may be mentioned that recommendation on similar line was made in the third report of the national commission for SCs & STs for the years 1994-95 and 1995-96 which is dealt in a separate file on the subject and a draft reply is being put up. For the current report also, we may furnish the same reply after necessary modification on the approval of the proposed reply.

It is proposed that the recommendation of vol. I of the report may be forwarded to the respective departments by endorsing a copy of the specific recommendation.

Subject to approval, a draft D.O letter is added at/.
