Each point of agenda item proposed to be discussed in the Conference ^{is discussed} is under :-

1. State plan funds

(a) The Commission for SCs & STs have asked for the details of outlays and expenditure in respect of TSP for the years 1994-95, 95-96 and 96-97. Our tribal population is 9.56% as per the 1991 census, while we have allocated 11.80%, 14.55% and 12.93% for TSP during the years 94-95, 95-96 and 96-97 respectively. So the outlays for the TSP for the periods under reference is more than the percentage of the tribal population.

(b) The statements 1, 2 and 3 relates to Special Component Plan. No SCP is implemented in this U.T as there are no SCs here, so the information in respect of the above statements are NIL.

The information in respect of TSP in statements 1, 2 and 3 with relates to TSP have been compiled.

(c) There was 92.14% expenditure during 94-95, 49.52% during 95-96 and 55.67% during 96-97. There was shortfalls in expenditures during the above years. The reasons for short-fall are delay in procurement of ships under Sector-Shipping, non-availability of building materials like sand, stones etc. because of
