

Secretary

No. 1018
OFFICE OF THE ASSISTANT COMMISSIONER
SOUTH ANDAMAN

Port Blair, 22.11.2000.

To
The Director (TW),
A & N Administration,
FORT BLAIR.

Sir,

I had visited Hamirder Bay along with my block staff in connection with the implementation of IAY scheme. During the course of meeting, the tribal people complained that the street lights in the area were not functioning for a long time and no steps have been taken in this regard. It is also learnt that the Panchayat which used to pay the energy bills has discontinued this practice resulting in disconnection of power supply to the street lights in the settlement area. The tribals are facing hardship for a long time on account of disconnection of the line supplying the street lights.

You may please be explore the possibility of settling the energy bills under the provision made in Tribal Sub Plan (TSP). The matter may also be taken with the Electricity Department to mitigate the hardship faced by the Nicobariies of that area.

Yours faithfully,

Assistant Commissioner,
South Andaman.
