Port Blair, dated the 18th September, 2001.

To

The Superintending Engineer,
Electricity Department,
Port Blair.

**Sub: Payment of Electric Charges for the streetlights in the tribal areas
- reg.**

Sir,

I am directed to say that it has been decided by the Administration that the Electric Charges towards the streetlights provided in the tribal areas of Nicobars including Harminder Bay in Little Andaman will henceforth be met out of the plan budget of the Tribal Welfare Department. Under the Annual Plan 2001-02, a provision of Rs. 6.20 lakh has been made towards the Electric Charges for the streetlights of the tribal areas.

Accordingly the Electricity Department will raise the bills towards electric charges for the streetlights provided in the tribal areas against the Director (TW), A & N Administration for payment. However, the bills may initially be sent to the respective Assistant Commissioners/Tahsildars for verification and onward dispatch to this office.

You are, therefore, requested to kindly issue necessary instructions to the respective Executive Engineers/Assistant Engineers of the Electricity Department for necessary action under intimation to this office. Further they may be directed to send the outstanding bills for the period from April to August, 2000 to the respective ACs/Tahsildars immediately.

Yours faithfully,

Research Officer (TW)
(T4-5002)
