Generate more employment avenues for tribal youth: LG directs Departments

Port Blair, Oct 28: The Lt Governor, Lt Gen (Retd) A. K. Singh visited Car Nicobar today and held a meeting with the Deputy Commissioner, local officers of different Departments and members of the Tribal Council. Various issues, such as improvement in the production of quality copra, tribal specific plans, setting up of coconut oil extraction units, skill development and capacity building programmes for tribal youth etc were discussed in the meeting. The Lt Governor

urged representatives of various Departments and the Tribal Council to explore employment and development. Thereafter, the Lt Governor visited Malacca (See page 10)

Jetty, which is under construction by ALHW, and reviewed the progress of the work. He issued directions to ALHW to expedite the construction of the jetty.

He also visited the convergence ground, developed under MGNRA, ITDP and PYKKA, at Perka village.

The Lt Governor expressed his happiness over the construction of the playground under MGNRA and observed that such work should be replicated in other places also.

Later, he visited Mus Jetty and inspected the construction of seawall by

APWD to prevent the soil erosion. The Chief Secretary, Mr. Anand Prakash, senior officers of the Administration were present on the occasion.
