It was around 1700 (05-11-2013) hrs when we left for Tarmugli Island. Few hours ago a team of Forest Department, Wandoor conducted patrolling around the Tarmugli Island. A fisherman informed them about Jarawa Sighting at Tarmugli Island. In the dark it was very difficult for us to see anything on edges of the Island. We made full effort to find any sign of presence of Jarawa or the fisherman if any with help of binocular and lights. Finally we returned back to Wandoor jetty at about 1830 hrs. The team dispersed at Wandoor jetty with the next plan. On the next day (today on 06-11-2013) a team comprised of AATVS Tarjati Sevaks namely Shri Navdeep Mondal and Shri Biman Dhal, Shri J. N. In the way from old JPP 4 location (where few Jarawas were already camped) the team took a Jarawa man for assistance namely Kunu (age 26). On reaching the Island the team found the Police team and Forest team came from Wandoor. On seeing Kunu the said 5 Jarawas came in contact on shore. The team brought the said 5 boys to my office at Collimpur. The boys on soft interrogation told that - on 03-11-2013 evening one local dinghyman namely Nitai R/o. Guptapada, South Andaman reached Chotagaia Jarawa camp (west coast). A Jarawa Reserve with some ration articles such as rice, veg oil, sugar, tea etc. He halted therefor that night with the Jarawas (men, women and children). On next day morning (04-11-13) he took two Jarawas namely Dawa and Lekhe to Bambunallah area where already few Jarawas were camped. They spent the day there. In the evening Shri Nitai Mondal took five Jarawas as mentioned above to Tarmugli Island. Shri Nitai Mondal did not stay with them in Tarmugli Island. He immediately left the Island. It is therefore requested to kindly take immediate action to punish the culprit to unleash a learning lesson for the others please.
