

Messages from Shri Sanjay Kumar, Deputy Commissioner (North and Middle Andaman)

10.30 AM:- Few Jarawas entered Kadamtala village and demanded Rice, Axe, pickaxe, crowbar, vessels, etc. Presently, they have been asked to sit with SHO, Kadamtala. Assistant Commissioner, Rangat has been asked to meet them. After discussing the matter with Director (Tribal Welfare), she has been asked to give them tools of their satisfaction (but not Rice) and send them back to forest. We are enquiring into the matter further so as to understand the reasons for such behavior. Further developments will be reported accordingly.

11.30 AM:- Jarawas wanted their weapons to be sharpened. They have been given to blacksmith to do it and will be returned back to them tomorrow. They have now been sent back to forest in a Police dinghy.
