well as Jarawas had pre-organized Jarawa visit to Kadamtala market on 03/10/2013. Apart from Shri. Maharaja being a regular hunter in the Jarawa forest also runs a blacksmith shop in Kadamtala market. Henceforth it was him alone (perhaps in collaboration with the Pradhan) who orchestrated the event for their personnel benefit and strategic position in Kadamtala. Given below is the details from the complaint and the statements collected from Jarawas soon after the event.

The complete episode is reported by Shri. Anup Mondal, TWO, Kadamtala in his compliant filed to SHO, Kadamtala on 04/10/2013. In his compliant he narrated that on 03/10/2013 around 0840 hrs ten Jarawas namely Aape, Cheo, Telo, Tingalem, Tenmai, Abu, Oyantho, Taleta, and Kopel, Thedomoho reached at Kadamtala through jungle road. Immediate AAJVS staffs reached on the spot and asked the Jarawas about their sudden visit at Kadamtala. One of the Jarawa boy named Aape told that they want to meet "Bada Admi" of the village i.e. village Pradhan. Aape and others met Pradhan and told him that they want to talk to DC or LG sahab and they demand for rice, oil, salt, masala items and good quality of Daha and axe and Degchi etc. After that all Jarawas brought at PS, Kadamtala. Assistant Commissioner, Rangat came at PS, Kadamtala and asked the Jarawas about their demand. The leader of the team Aape asked for degchi, rice, salt, oil etc. The Assistant commissioner, Rangat assured them AAJVS will provide only iron materials within three days.

In order to find out the actual fact behind the entire episode all Jarawas brought in AAJVS office, Uttara and an enquiry has been initiated by Shri. Anup Mondal, TWO, Kadamtala and Janjati Sevaks and found very shocking information about frequent poaching by civilians.

1. Jarawa boys Kopel and Abu revealed that five days before i.e. on 29/09/2013 Shri Maharaja Bala alias Raja S/o Late Hari Bala R/o Kadamtala and his assistant came in their habitat at Hochabotha (western coast) and halted two days for hunting. They have provided rice, cooking oil, tobacco, etc to them at their habitat. Abu reported that Raja given alcohol many times to Jarawas. Raja also instigated Tahi, Kopel and other Jarawas for coming in Panchayat office, Kadamtala and to meet Pradhan and tell him to speak with LG and DC sahab for food and other items. Raja is a black smith and at present he is running a shop at Kadamtala bazaar. Thus he insisted the Jarawa boys to recommend his name to Pradhan to engage him in AAJVS for making iron implements for them.
