

34/N

This was discussed with C.S. ^{today} when the DGP, DC (SA), PCCF, and others were present. The consensus was that the libal pass proposal would be difficult to implement, and it may be better to stop tourists completely on the ATR, as they're the main reason why the farawar emerge out of the forests. (107)

Pl. p.u. a draft letter to MHA, proposing to ban the entry of tourists into the ATR, and also undertaking to provide alternate transport i.e. ferry, from + to Pod Blain + Barakamp. (108)
