Sub: - **Protection of Jarawa tribal reserve reg.**

Sir,

This has reference to your letter No.1-752/2007-TW/359 dt.16th July, 2007 regarding the land purchased by M/s Barefoot and Group in Collinpur for construction of a tourist resort. This Directorate has not given any recommendation for the construction of a tourist resort at Collinpur.

Comments of Directorate of Tourism

1. This Directorate is against promoting Tribal Tourism under any circumstances.
2. Tourism Department strictly follows the Jarawa Policy and regularly instructions are issued regarding Do's and Don't for travelers on Andaman Trunk Road in Jarawa Reserved area.
3. Further circular, press note is issued for strict compliance of notified Jarawa Policy.
4. The Directorate of Tourism is of the view that declaration of 5 km of area from the Jarawa reserve as a buffer zone would adversely affect tourism in Baratang

Yours faithfully,

Dy. Director(Tourism)
