No. R/ 153/2001/2083

OFFICE OF THE SUPERINTENDENT OF POLICE,
Andaman District.

Port Blair, dated the 27th August, 2001.

To

✓ The Director,
Tribal Welfare Department,
A & N Administration,
Port Blair.

Sub: Providing transport to survey team – regarding.

Sir,

Apropos to our telephonic conversation regarding the subject cited above, I have the honour to say that as far as providing of Jeep to Survey Team stationed at Kadamtala, there is no problem as it does not involve much movement. However it will not be possible to provide the same for the team stationed at Bakultala. Since it is time taking which will hamper the prime work of the jeep of patrol in the area and providing all assistance to Jarawas and concerned agencies like medical specialists etc. Sometimes the Jarawas have to be carried to PHC, Kadamtala and the vice-versa. If the Jeep provided to SHO, Kadamtala and AAJSV staff deployed for Jarawas at Kadamtala is utilised for the survey team stationed at Bakultala they may not be able to provide the above assistance to the Jarawas which will defeat the very purpose of this arrangement. It is, therefore requested that a separate vehicle may be hired for providing transport to the survey team stationed at Bakultala.

Yours faithfully,

(R.L. Meena, IPS)
Superintendent of Police
Andaman District.
