Sub :-

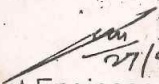

Meeting of High Powered Committee - Reg.

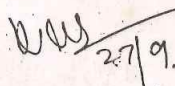

In response to Point No.3 of the last High Powered Committee meeting held on 19.7.01, it is to state that the A.T.R. which passes through the Jarawa territory has been completed long back and APWD is not taking up any new construction or extension work of A.T.R. in Jarawa territory.

However strengthening of existing Road pavements and side berms as recommended by CRRRI for A.T.R. is to be carried out.

The Direction of the Hon'ble court is strictly being followed.
