the members of the Committee. The Chairman is residing far away at Mayabunder, it seems it is difficult to co-ordinate and smooth functioning of the committee and timely action. The matter may kindly be looked into and some officer be made as Chairman of the Committee.

5. I want to know that the monthly expenditure on Tribal Welfare is about 75 lakhs, mainly about 35 lakhs being spent on pay and allowances Jarawas are actually very little benefited.

6. It is reported and also appears that there is shortage of Police Personnel and Staff of AAJVS. It is suggested that the unemployed Youth of the areas who are also trained as Home-Guards and also conversant of the people and area may be appointed.

7. It is also suggested that after election, a meeting may be called in order to invite suggestion from the public to check the incoming of Jarawas in the locality/village.

Thanking you,

Yours faithfully,
