

2. To prevent entry of Jarawas :

The Secretary (TW) took a decision that, in the vulnerable areas from where the Jarawas frequently enter ~~into~~ the villages will be posted with additional police force provided, the villagers construct structures in such areas ~~and~~ Once the structure is constructed and handed over to the police, additional police staff will be posted who will prevent the entry of Jarawas to the villages. The villager has agreed for the construction of the structures.

3. Distribution of ration etc. to the Jarawas :

The Secretary (TW) also took a decision to engage two youths from each village who will inform police and AAJVS staff about the Jarawa movement and help the staff in handling the Jarawa situation. The concerned Panchayat will select the youths and send the list to AAJVS. These youths will be given orientation course by the Tribal Welfare Department and Anthropological Survey of India and they will be paid ~~with~~ some honorarium.
