Sub: *Procurement of Computer for OBC Commission- reg.*

①
The household survey sponsored by the OBCs Commission has almost been completed. About 52,000 schedules have been received from the various parts of this UT. Now the information collected in the household schedules are to be compiled and processed for generation of data required for identification for OBCs. The task is so big that it cannot be accomplished manually. So it needs automation, for which a PCC system with a Inkjet Printer, Dot Matrix Printer is required. Besides, we will require the following accessories viz. scanner(colour) 55, UPS 20 minutes Backup are also required for the computer.

②
A post of Data Entry Operator has been created vide the Administration's order No. 203 dated 16.11.98 for OBCs Commission. Action has been initiated to fill up the post. Meanwhile, it is proposed to procure a PCC system with the accessories of the following specifications:-

1. IBM 300 GL P II 350 MHZ
32 MB RAM

3. Printer 870 cxi
4. UPS 20 Minutes Back up
5. Dot Matrix Printer
TVSE

③
The total estimated cost of the above system along with accessories is Rs.1,70,000/-. Although there is no specific provision under the Annual Plan 1998-99, we have asked for an amount of Rs. 1.20 lakh in the 8 monthly estimate under plan submitted to the Administration for the year 1998-99 recently, which could be utilised for purchase of a PCC system along with accessories. The additional fund of Rs. 0.50 lakh required could be met out of the overall savings under plan. We may call for open tender for the specific brand of computer mentioned above.

④
The Secretary (TW) being the HOD is competent to approve of the proposal.
