various spending authorities. The allotment in the Revised Estimates 1998-99 has been made keeping in view of the provisions included by the department in the Revised Estimates 1998-99 on the basis of sector-wise allocation finalised by the Planning Department and Supplementary Grant proposals approved by Parliament. All the spending authorities are requested to see that provisions made under various sub-heads are utilised fully and no surrender is noticed at the fag end of financial year. Proposal for re-appropriation may kindly be made accordingly in the Ten Monthly Estimates 1998-99. It is further pointed out that where the original budget grant is increasing by Rs one Crore more the same has been allocated provisionally and subject to approval by the Parliament in the last batch of Supplementary Grant which is being taken separately.

Yours faithfully,
