## **WIPRO** *Super* **GENIUS 8000** WITH PENTIUM® II

THE PC THAT'S BUILT TO LAST

Wipro has an ongoing quality programme in place to ensure that the highest quality standards are upheld at every stage. Be it component selection, vendor selection or assembly and testing processes. And all components are carefully selected to meet tough Indian conditions.

As a result, Wipro Super Genius delivers maximum reliability. Add Wipro's unmatched service network and support system in 161 locations, and what you get is a complete quality experience.
