

c) TVSE Dot Matrix Printer

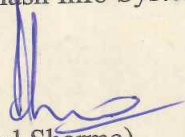

Rs.16,000 quoted by M/s Chircuit Inc. is the lowest and hence the Committee accepts the same.

d) Scanner

Rate of Rs.13,000 quoted by M/s Royal Computer and Feriferrals is the lowest and hence the same is accepted by the Committee.

e) UPS

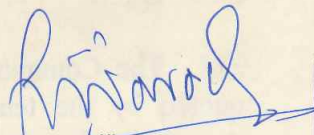

Rs.9000 quoted by M/s Royal Computer and Feriferrals is the lowest. However, they have not quoted the name of the brand. The Committee suggests that the brand name should be obtained. If the tenderer is ready to supply the name of the well known brand like APC, Chircuit, Compact, for the quoted amount of Rs.9000, the same could be accepted. The Committee also suggested that if the response is not received within a period of two days and if a satisfactory reply is not furnished by them, the second lowest rate quoted by M/s Abhilash Info System for Rs.11,995 could be accepted.
