The number of post in those categories is fewer than the number of posts required for reseving a post for ST candidate. There is only 1 category of post viz Mukhya Sevika in which there are 25 posts at present of which 3 posts have been reserved for ST candidates. 2 posts were filled up from ST candidates and 1 post was lying vacant. Recently a ST candidate appointed against the reserved post has retired which is to be filled up by ST candidate only as per the instructions of Govt. of India.
