Dear Shri Ray ji

I am to refer to your D.O.No.1-729-97-TW/75 dated 17th July,1988 regarding number of ST's appointed against Group 'C' & 'D' post as on the date and append below the requisite information:-

Sl.No.	Total number of employees	Number of ST's appointed	Percentage
1.	Group 'C' - 413	11 (eleven)	2.67
2.	Group 'D' - 805	71 (seventy one)	8.82

In this connection I am to state that prior to enforcement of reservation rules, 80% of Group 'C' & 'D' posts were already in existence and as per recruitment Rules these are being filled on 100% promotion basis. Moreover their representation in Government Service was almost Nil up to 1990 since no qualified ST Candidate were available for technical posts. However from 1990 onwards there has been a significant increase in their representation in Govt. Service and the trend will be maintained in future also to attain the prescribed percentage of reservation for ST under direct appointment method to be selected from suitable ST Candidates.

With regards.

Yours sincerely

(Cdr. D.N.Prahara)
