

laid down by the Courts. While drawing up rosters, the cadre controlling authorities should similarly "squeeze" the last points of the roster. Such squeezing may not, however, be done where it would violate the rule of 50%.

8 (6)

9. Whenever there is any increase or decrease in the cadre strength, the roster shall be correspondingly expanded or contracted. The same will also apply whenever there is a change in recruitment rules which affects the proportion of posts to be filled by a particular mode of recruitment.

10. The roster is to be operated on the principle of replacement and not as a "running account" as hitherto. In other words, the points at which reservation for different categories applies are fixed as per the roster and vacancies caused by retirement etc. of persons occupying those points shall be filled by appointment of persons of the respective categories.

11. While operating the roster, persons belonging to communities for whom reservation has been made, but who are appointed on merit and not owing to reservation, should not be shown against reserved points. They will occupy the unreserved points.

12. In the case of small cadres (upto 13 posts), all the posts shall be earmarked on the same pattern as in the model post based rosters. Initial recruitment against these posts shall be by the category for which the post is earmarked. Replacement of incumbents of posts shall be by rotation as shown horizontally against the cadre strength as applicable. While operating the relevant roster, care will have to be taken to ensure that on no occasion the percentage of reserved category candidates exceed 50%. If such a situation occurs at any time, the relevant reserved point occurring as a result of rotation will be skipped.

INITIAL OPERATION:-

1. At the point of initial operation of the roster, it will be necessary to determine the actual representation of the incumbents belonging to different categories in a cadre vis-a-vis the points earmarked for each category viz. SC/ST/OBC and General in the roster. This may be done by plotting the appointments made against each point of roster starting with the earliest appointee. Thus, if the earlier appointee in the cadre happens to be a candidate belonging to the Scheduled Castes, against point No. 1 of the roster, the remark "utilised by SC" shall be entered. If the next appointee is a general category candidate, the remark "utilised by general category" shall be made against point No. 2:
