

and so on and so forth till all appointments are adjusted in the respective rosters. In making these adjustments, SC/ST/OBC candidates on merit, in direct recruitment, shall be treated as general category candidates.

2. After completing the adjustment as indicated above, a tally should be made to determine the actual percentages of representation of appointees belonging to the different categories in the cadre. If there is an excess representation of any of the reserved categories, or if the total representation of the reserved categories exceeds 50%, it shall be adjusted in the future recruitment. Vacancies arising from retirement etc. of candidates belonging to such categories shall be filled by appointment of candidates belonging to the categories to which the relevant roster points, against which the excesses occur, belong.

3. Since recruitment is generally vacancy based, it may happen that the actual number of promotees and direct recruits in the cadre does not correspond to the number of posts earmarked in the respective reservation roster. For the purpose of calculations of representation of reserved category in a cadre, total of promotees and direct recruits may be taken. Rectification of the representation as per prescribed percentage by the prescribed mode of recruitment at the earliest possible should however be the goal.
