PUC is the letter from AS (Perl) regarding the visit of Miss Neelima Jauhari, Director of MHA, on 17.3.98 for inspection of Reservation Roster. The matter was discussed with the Secretary (TW) who in turn has discussed with CS over phone today. It is felt that the Administration and all officers will be busy with National Minority Commission which is visiting these islands during the same period. Moreover, all Heads of Departments would be pre-occupied at the fag end of the financial year. As such, Administration may send a message to the Director, MHA, to explore the possibility of visiting these islands later some time during April. Accordingly, a FAX message is placed opposite for perusal and approval.

However, in the meantime, we may inform all Appointing Authorities / Heads of Departments to keep the Roster for the Reservation of STs ready on 17.3.98 for the inspection of the same by Miss Neelima Jauhari, Director, MHA.
